

18 August 2020

Dear Year 11 Students, Parents and Carers,

Results day – Thursday 20 August 2020

I hope this finds you safe and well.

On Thursday 20 August we will be able to present the GCSE results to our students. These are the Centre Assessed Grades that teachers have produced which are based upon the November and March mock results, in addition to other work produced during the GCSE course.

On results day please access the school site via the driveway which will take you to the staff car park at the rear of the building. **Students** may enter via the sports hall to collect their results' envelope at the time and place designated below. This is to continue the adherence to the social distancing guideline which we expect to still be in force in August.
