

29 June 2021

Dear Parents and Carers,

Summer 2021 End of Year Reports

As we approach the end of the term and the academic year, I would like to inform you of the end of year reports and Parents' Evenings schedule.

Year 7

You will have received a letter making you aware of the Year 7 Virtual Parents' Evening on Tuesday 6 July from 2:45pm - 6.45pm. Your child's report will be posted home on Friday 2 July. This report will contain comments on how your child has been working in all subject areas as well as an effort grade for their *Attitude to Learning; Organisation and Homework*. In the meantime, please remember to book any appointments that you wish to make for Tuesday 6 July.

Year 8 and Year 9

You will receive a data report that will have the summer assessment grade on for your child and an effort grade for their *Attitude to Learning; Organisation and Homework*. These reports will be posted home on Monday 12 July.

Year 10

As our Year 10 mock exams are later than planned, in order to ensure the maximum curriculum content covered, progress reports containing the equivalent GCSE grades that your child has achieved in these mocks, will be handed to students on 13 July when we will have a mock exam results day. In September when your child begins their final year we will be holding a special Parents' Evening on Tuesday 21 September so that you can speak with your child's subject teachers about their progress in Year 10 and plans for helping them to achieve the best possible outcomes in their final year.

In order for the Year 7 Virtual Parents' Evening to start at 2:45pm on Tuesday 6 July, lessons will end at 2.25pm, when students will leave to go home. The school buses have been arranged to come at the earlier time on this date to collect the students that use school transport.

Once again, we offer our sincere thanks for your on-going support in what has been a most unusual academic year.

Yours sincerely,

Mrs C Humble
Deputy Headteacher
